The day that Lucy came to visit

Lucy came to read a story poem to the class, she used stick puppets to allow the children to be involved. We loved animating 'Humpty Dumpty' with Lucy.

Mixing Colours Fun

Ms Shelton taught a lesson on the Colour Wheel. We learned that
Red and Yellow = Orange

Blue and Red = Purple

Yellow and Blue = Green

The three primary colours are red, blue and yellow

Science: Lava Lamps

We created homemade Lava Lamps in Science, learning that oil and water do not mix. We used oil, water, food colouring and Alka Seltzer for the bubbles. It was great fun!

We are 5 now!!

We played in the Costume Shop during Aistear

We had pirates, ninja turtles, witches, super heros and more. It was lots of fun.

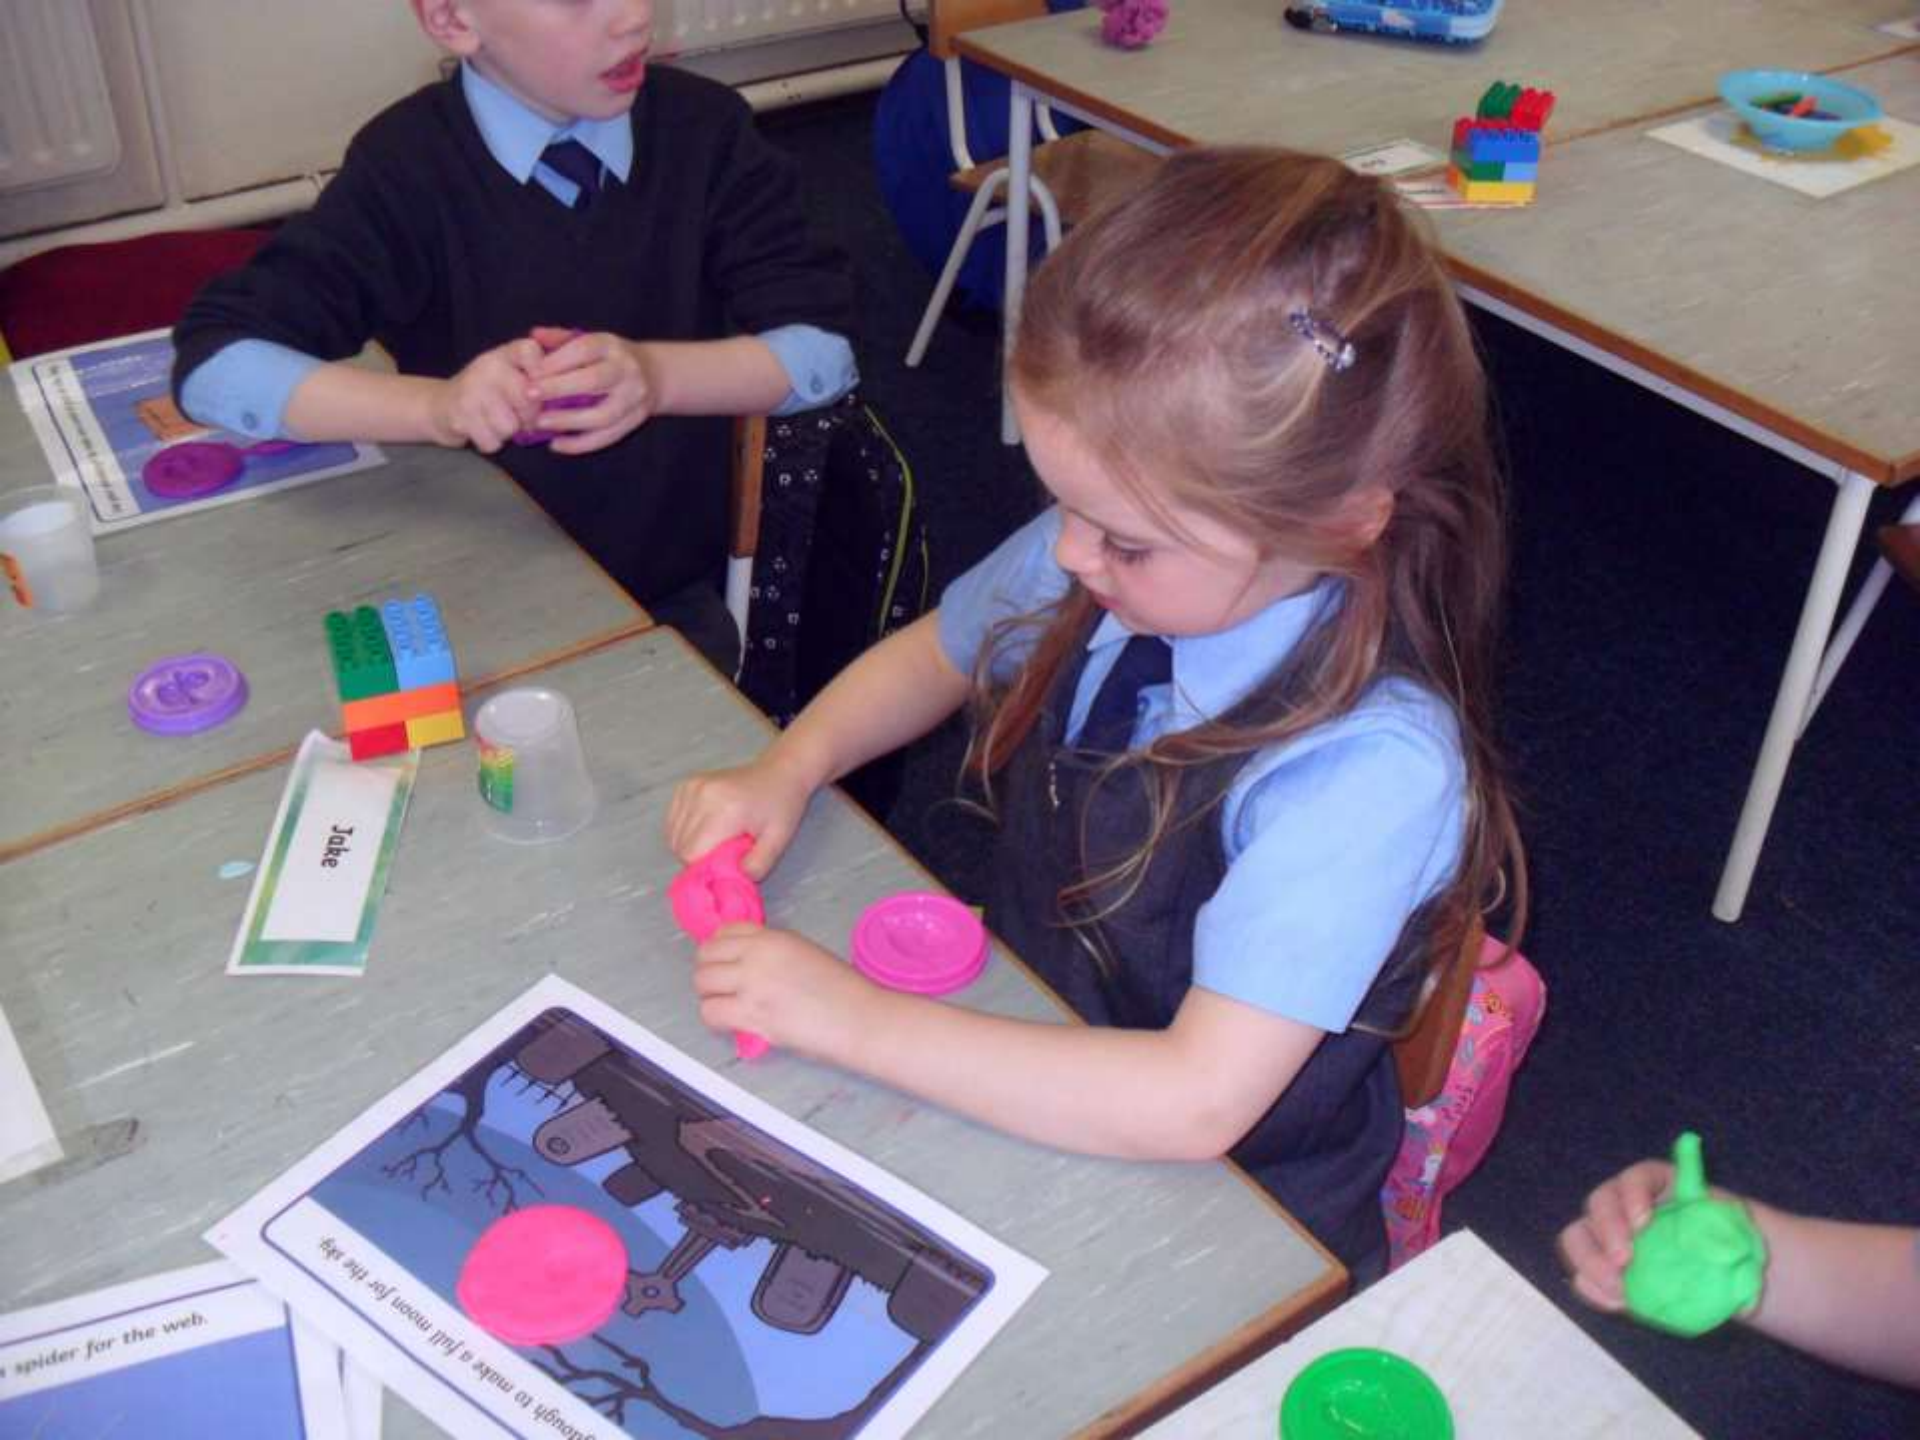

We love working with
Play doh

enough to make a full moon for the sky
a spider for the web

Autumn Walk

We went for a lovely Autumn walk to the local park. We spotted all the Autumn colours, identified some of the trees and collected some leaves and seeds for our Autumn display in the classroom.

Gardening

We planted Dwarf tulips and Bluebells. We created fairy gardens and invited all the fairies in Ballingarry to visit during the Mid Term Break.
